#### **Organic System Plan Training - OSP 101.**

Join a CCOF Certification Services Trainer and Inspector for OSP 101. CCOF will provide this free class and all materials need to complete an Organic System Plan and answer questions for farmers who are considering the transition to organic production. The trainer will guide participants through the OSP and answer difficult questions.

**For More Information** contact Fred Thomas, 530-891-6958, [fred@ccof.org](mailto:fred@ccof.org)

**Visit** [www.ccof.org/goingorganic.php](http://www.ccof.org/goingorganic.php) **to learn more about CCOF's Going Organic Program.**

**Sponsored** by the California Certified Organic Farmers Big Valley and Fresno Tulare Chapters, the CCOF Foundation Going Organic Project, with funding from the California Water Board.
