

Operation Name: _____ Date: _____

▶ Complete this form if you co-pack the products you grow or process into another company's private label. CCOF certified operations must submit all organic labels they pack into, even if CCOF is not listed as the certifier on the label. Please attach all labels and describe the products below.

A. PRIVATE LABEL PRODUCTS All labels must be approved by CCOF prior to sale.

1) Brand Name and Product(s): _____

- a) Is the Private Label Owner CCOF certified for this product? Yes, STOP. No, answer questions below.
- b) Is this Private Label Owner certified organic by another certifier for this product? Yes No, answer questions below.
 - i. If Yes, name certifier and attach valid organic certificate: _____ Certificate attached, STOP.
- c) Is CCOF's name or seal used on the label in association with the Private Label Owner? Yes No

ii. If yes, fill out the information below:

Private Label Owner Address: _____

Private Label Owner City, State, Zip: _____

Private Label Contact Name and Title: _____

Private Label Contact Email and Phone: _____

CCOF will send Notification to the Private Label Owner that the CCOF name and/or seal may only be used on the products recorded on an approved H2.6 Co-Packer Profile. A copy of the H2.6 Co-Packer Profiles that pertain to the Private Label Owner's products will be copied to the Private Label Owner. By submitting this form you agree that all relevant H2.6 forms of your OSP may be shared with the Private Label Owner.

CCOF NAME AND SEAL USE POLICY: *The CCOF name and/or seal may be used on labels of non-CCOF certified Private Label Owners provided that the product was grown or processed by CCOF certified operations. CCOF approval of the private label products does not constitute certification of the Private Label Owner. CCOF Certified Operations must notify the CCOF office in advance of packing any private label product. CCOF Certified Operations will be billed for the use of CCOF's name and/or seal on a Private Label per Manual 1.*
