IMPORTANT MATERIALS NOTICE

Fertilizers, Pest Control, Soil Amendments, Adjuvants, etc.

- Use of a **PROHIBITED MATERIAL** (fertilizer, pest control, soil amendment, etc.) can result in your land being **SUSPENDED FROM CERTIFICATION FOR 3 YEARS**, even if you applied it unintentionally. It's the law.
- All materials on current **OMRI** or **Washington State Department of Agriculture (WSDA) Brand Names List** may be used as long as you follow any restrictions. Contact the CCOF office for a copy of OMRI Products List. Lists are online at:
 - www.omri.org
 - <http://agr.wa.gov/FoodAnimal/Organic/MaterialsLists.htm>
- **CCOF will review an unknown material for you at no cost.** But, you must provide the necessary information. Complete & return a **Material Review Request** form, available on the back of this announcement and at www.ccof.org/forms.php
- **You must update your Organic System Plan (OSP)** if you use any material that you have not already listed.
 - Name the materials on the OSP **the way they are shown on the label.** Use complete, **specific brand names and formulations.**
 - If material is on OMRI or WSDA Brand Names Lists, you do not need to request that CCOF review it.
 - If the material is **NOT** on one of Brand Names Lists, **please ask CCOF to review it prior to use¹.** Then update your OSP.
- **Spreaders, stickers? Many are prohibited. When in doubt, leave it out!**
- We care about you and your business and want to help. If you have questions or need a **Material Review Request** form, contact your **Regional Service Representative** (find your RSR at www.ccof.org/rsr.php) or the CCOF office (below).

Look for the OMRI and WSDA seals on allowed materials:

Approved under
Washington State
Department of Agriculture
Organic Food Program

¹ The small print: **All requests for materials review must be submitted by CCOF clients.** The results of CCOF's review are for the client making the request only. CCOF does not allow the commercial use of its name or seal in association with any material. CCOF's approval for use by a CCOF client does **not** imply endorsement of the material or manufacturer.

Materials Review Request Form

**It is your responsibility to verify all input materials are allowed before you use them.
Only materials included on your Organic System Plan and approved by CCOF may be used.**

Materials that have been identified as compatible with organic production can be found on the Products List published by the Organic Materials Review Institute (OMRI), www.omri.org, or Washington State Dept. of Ag. (WSDA), www.agr.wa.gov/FoodAnimal/Organic/MaterialsLists.htm. For materials not on either of these lists, CCOF will review the material for CCOF clients on a case by case basis to determine compliance with National Organic Program and international standards.

A. INSTRUCTIONS

If you wish to use a material NOT on either the OMRI or WSDA brand name products lists, please follow these instructions:

1. Complete a separate form for each product.
2. Complete the product and use information (Section B) below.
3. Attach at least one of the following:
 - A copy of the label showing 100% of all ingredients;
 - Or, a copy of the MSDS (Material Safety Data Sheet). Only adequate if 100% of ingredients disclosed;
 - Or, a current statement from the manufacturer including a complete ingredient list. Only adequate if 100% of ingredients disclosed;
4. For all "inert" or "other" ingredients shown on product label or MSDS provide:
 - A statement from the manufacturer that either discloses all inerts, or, for pesticide products, a statement of which EPA list of inert ingredients they are on.
5. Fax or mail this form with all attachments to CCOF. CCOF will notify you of the results.
