Affidavit of Input Material Composition

Instructions:

- ▶ This form may be used when a non-manufactured input material (including raw manure, mulch, straw, wood chips, etc.) is purchased or acquired by a CCOF operation.
- ▶ If the CCOF operation can attest to a material's composition based on their personal knowledge of that material, then they may complete this form.
- ▶ When the CCOF operation cannot attest to the composition of the material, then the supplier of this material should complete the information below, sign the bottom of this form, and give the completed form to the CCOF operation to submit to CCOF.
- ▶ **This form may only be used for natural materials (such as manure, straw, woodchips, etc) that are not processed or manufactured in any way and do not contain any additional ingredients.**

A. CCOF Operation Name: _____

B. Material Supplier Name: _____

C. Material Supplier Contact Information: _____
