

MyCCOF Online Certification Management

CERTIFICATION MADE SIMPLE

Managing your certification just got easier.

MyCCOF provides the online tools that make certification simpler for you. Easily monitor your certification and renewals, access key documents, and track the inspection and certification process. Plus, pay bills, track your CCOF-certified suppliers, and search and add materials to your Organic System Plan (OSP).

MyCCOF is free for CCOF-certified members. Visit www.ccof.org/myccof to get started.

MyCCOF Features:

» Your OSP Online

Download your current OSP in real time, whenever and wherever.

» Simple Navigation

It's easy to find and change what you need.

» Find Materials & Track Your Approved List

View the materials CCOF has approved for your operation. Plus, remove, search, and add new materials as you need them!

» Download Certificates

Find the most current version of your certificates and download for suppliers.

» Monitor Inspections

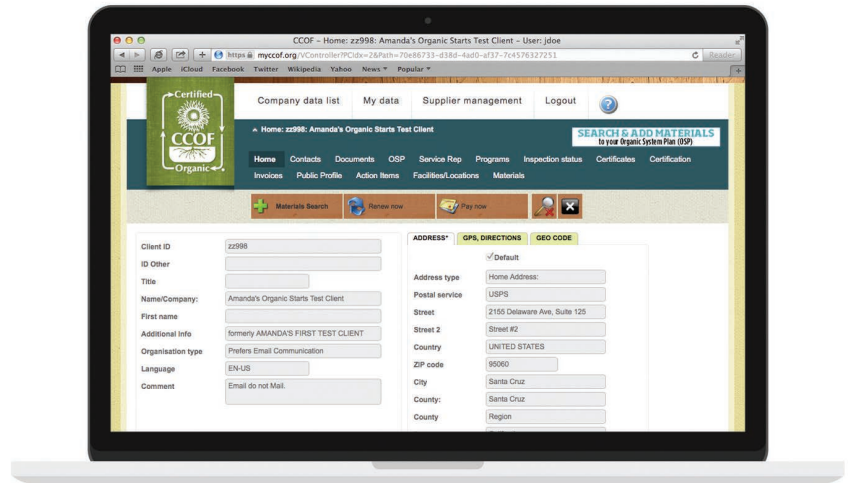

Follow the inspection process. Access inspector contact information, reports, and stay informed.

» Track Action Items

Review the status of outstanding requests from CCOF or check on updates you've made with us.

» Stay Organized!

Download letters and respond to CCOF correspondence. Find your CCOF service staff and more.

» Pay Bills

Track invoices and pay online!

» Manage Your Public Profile

Publicize your company statement, sales methods, and social media sites.

» Track Clients & Facilities

Manage several CCOF-certified operations with a single login. Great for consultants and partnerships!

» And More—Coming Soon

CCOF is always improving this service to provide new tools!

Visit www.ccof.org/myccof today to let MyCCOF work for you!

Certification Made Simple

SEARCH

for materials approved for
use in organic production

ADD

new materials to your
Organic System Plan (OSP)

New! Search and add materials to your OSP in MyCCOF!

Never guess if a material has been reviewed again. All CCOF internally-reviewed materials, OMRI Products List® materials, and WSDA Brand Name List materials can now be searched in one place! Plus, you can request OSP changes online day or night, from any device.

» See it All. Search Our Materials Library!

View all CCOF internal material review information, plus OMRI Products List® materials, and WSDA Brand Name List materials—know what has and has not been approved in the past and view the status of any reviewed material.

» Add to Your OSP

Request addition of materials to your OSP with the click of a button.

» Save Time

No longer is a phone call necessary to add materials. Take control and add to your OSP whenever, wherever; even with a smartphone!

» Get Notifications

Receive updates as soon as your materials have been reviewed.

Are your CCOF suppliers' certifications current? Track them with MyCCOF Supplier Management!

Buyers and distributors of organic products will love Supplier Management. This one-of-a-kind service offers tracking and management of CCOF-certified suppliers. Add your suppliers today!

» Get the Green Light

Easily identify your supplier's standing: green, yellow, or red indicators allow for quick review of certification status.

» Easier Purchasing

Better tracking maintains organic integrity. Find all your CCOF-certified supplier data in one place.

» Real-Time Notifications

Receive immediate email notification if any certification status changes.

» Instant Certificates

Track certifications and get your suppliers' certificates as soon as they are created. Conveniently search for certificates by date.

» Faster Inspections

Fly through your inspection with an organized queue of suppliers and real-time access to their certification status.

» Organize and Prepare

Never accept an uncertified load again! MyCCOF Supplier Management will save you time and costly mistakes.
