MyCCOF Online Certification Management

Certification Made Simple

SEARCH

for materials
approved for
use in organic
production.

ADD

new materials
to your Organic
System Plan (OSP).

Need to add materials to your OSP? It's easier than ever before.

With MyCCOF Materials Search, you'll never again guess if a material has been reviewed. All CCOF internally-reviewed materials, OMRI Products List® materials, WSDA Brand Name List materials, and CDFA Registered organic input materials can be searched in one place. Plus, you can request OSP changes online day or night, from any device.

» Find What You Need in Our Library

View all CCOF internal material review information, plus OMRI Products List® materials, WSDA Brand Name List materials, and CDFA Registered organic input materials. Know what has and has not been approved in the past and view the status of any reviewed material.

» Save Time

No longer is a phone call necessary to add materials. Take control and add to your OSP whenever, wherever; even with a smartphone!

» Easily Add to Your OSP

Request addition of materials to your OSP with the click of a button.

» Get Notifications

See status of materials you have requested and any restrictions on their use.

Do you have current certificates for CCOF certified operations? Access and track them with confidence.

Anyone purchasing organic ingredients will love the "CCOF Certificate Portal" in MyCCOF. This one-of-a-kind service offers tracking and management of CCOF-certificates. Access CCOF certificates today!

» Get the Green Light

Once you have identified a CCOF certified operation to track, you can easily identify their standing: green, yellow, or red indicators allow for quick review of certification status.

» Instant Certificates

Track certifications and get your suppliers' certificates as soon as they are created. Conveniently search for certificates by date.

» Easier Purchasing

Better tracking maintains integrity. Find all your CCOF-certified supplier data in one place. The CCOF Certificate Portal is a way to track the status of a CCOF certified operation, it is not your Organic System Plan (OSP) and does not reflect your approved suppliers.

» Faster Inspections

Fly through your inspection with an organized queue of certificates and real-time access to their certification status.

» Real-Time Notifications

Receive immediate email notification if any certification status changes.

» Organize and Prepare

Never accept an uncertified load again! MyCCOF's "CCOF Certificate Portal" feature will save you time and costly mistakes.
