The CCOF Canadian Organic Regime (COR) Compliance Program is ONLY for operations located in Canada

Operation Name: _____ **Date:** _____

- Use this form for each multi-ingredient product you manufacture. *Private label/marketers who do not process products are not required to complete this form; submit an ingredient statement from the manufacturer instead.*
- An **Excel version** of this document is available online or by contacting CCOF. Complete one H2.0B COR form for each product.
- Multi-ingredient organic ingredients (e.g. organic chocolate chips) may only count as 95% organic content unless ingredient certifier verification confirms a higher percentage.[1]
- For each nonorganic ingredient or processing aid not previously approved by CCOF, submit a **COR Nonorganic Processing Material Affidavit** or **COR Natural Flavour Affidavit**.
