

COR COMPLIANCE PROGRAM

GUIDE TO HANDLER OSP FORMS

Find all forms at www.ccof.org/documents. Send completed forms to inbox@ccof.org.

Page 1 of 1

The CCOF Canadian Organic Regime (COR) Compliance Program is ONLY for operations located in Canada

- ▶ **Complete all OSP section(s) listed for each activity that matches your current organic activities or plans.** Do not complete sections that are not applicable to your operation.
- ▶ If your activities change in the future, you may need to either complete additional OSP forms or retire OSP forms.

If you do this (more than one may apply):

Fill out these forms:

1) Apply for CCOF organic certification.	• CCOF COR Compliance Certification Contract • H5.0 COR Record Keeping for Handlers
2) Process, physically label, and/or distribute organic products at a facility I own or lease.	• COR Handler Materials Application (OSP Materials List) • COR Product Application • H2.0 COR Organic Products • H2.3 COR Organic Facility (for each location) • H4.0 COR Organic Practices (for each location)
3) Use nonagricultural processing aids, packaging aids, sanitizers, or other additives in or on organic products.	• COR Handler Materials Application • COR Nonorganic Processing Material Affidavit (if applicable) • COR Natural Flavour Affidavit (if applicable)
4) Source ingredients for organic products.	• H2.0A COR Ingredient Suppliers
5) Process multi-ingredient organic products.	• H2.0B COR Product Formulation (for each product)
6) Contract other independently certified facilities to produce or label a product.	• H2.0 COR Organic Products • COR Product Application
7) Act as a broker, trader, or purchase products for sale under my own brand or label (private label owner).	• H2.0 COR Organic Products • H2.0A COR Ingredient Suppliers
8) Provide processing, handling, toll processing or fee-for-services for organic products that I do not own or take title to, or provide fee for service processing/packaging, etc.	• H2.4 COR Organic Services
9) Package products under a brand or private label owned by someone else.	• COR Co-Packer Application (for each brand not CCOF certified)
10) Export, design export labels, or sell to a buyer who requires international verification.	• Global Market Access Program Application (exports to US, EU, UK, Japan, Switzerland, Taiwan, Mexico, South Korea) • NOP Import Certificate Request Packet (exports to the US – exporter completes prior to each shipment)
11) Apply for certification of retail store or restaurant.	• Contact CCOF regarding Retail certification options in Canada
